Major Support from TD Bank, TD Charitable Foundation and Institute of Museum and Library Services

ABOUT KIDS ABOUT READING ACROSS RHODE ISLAND

Kids Reading Across Rhode Island is a partnership between RI Office of Library and Information Services and the RI Center for the Book at the RI Council for the Humanities that provides continuity between school and summer reading through programming that connects students with local libraries. The State House event serves as the kick-off for the annual statewide summer reading program, which has a 2016 theme of "On Your Mark, Get Set... Read!" All summer, public libraries statewide will offer free programs inspired by *Roller Girl*.
